

Anca DONȚU

Born in 1985 in Bălți, Republic of Moldova
Lives and works in Chișinău

Education

Graduated the Faculty of Fine Arts, the course for Theatre Directing and Actor Mastering, State University of Moldova. Between 2005 – 2007 was active as an actress in forum-theatre in the frame of a series of participative drama workshops like: *Youth against discrimination*, *Dance for Life*, organized by the AFEW and Sida Est-Vest Foundation in collaboration with «Здоровое Поколение» NGO (Vladivostok) and the “Focus-Media” Foundation (Sankt-Petersburg).

Interests

During the last few years she undertakes a study of the image analyzing it from different points of view with a stronger accent placed on the interaction between the image and its viewer. In her research she considers the identity, artistic and publicity roles of one image, also by employing analytical studies of urban architecture as well as psycho-geography.

Other activities: participated in the activities of different literary clubs, symposiums, philosophy and anthropology trainings etc.
